

EQUINE DIGITAL X-RAYS

Certificate Of Examination

Sire: Hissonet Dam: Flying Single

Chestnut colt 2006

Brand: near shoulder: jockey cap inside conjoined diamonds

Off shoulder: 43 over 6

This is to certify that on 1st March 2008, at the request of Darby Bloodstock, I examined the above horse at Inglis Sales Complex, Oaklands, Melbourne.

In my opinion, at the time of my clinical examination and without specialized procedures being performed, the horse was suitable for syndication as a racehorse

This certificate has been prepared for inclusion in the disclosure statement issued by the Horse Syndicate and at the time of examination could be relied upon as a true document. The issuing veterinarian has no financial or other interest in the Horse Syndicate or monies raised from the Syndicate. Repository radiographs were viewed. No other specialized techniques were performed.

Signed.
